Public Meetings

The City of Sebastopol wishes to foster a constructive, respectful, and open process through its meeting procedures. Public comment is encouraged. Members of the public have the right to speak on all agenda items under discussion by the Committee after being properly recognized by the Chair at a time deemed appropriate by the Chair. The

Committee requests that members of the audience refrain from expressions of approval or disapproval (clapping, booing, hissing) of statements of other participants, which discourages the expression of a range of viewpoints, as well as lengthening meetings. Comments should be addressed to the Committee as a body and not the audience or any individual member, staff person, or consultant. This is an opportunity for members of the public to make statements regarding matters of concern about the agendized matter, and not unrelated matters. The procedure does not provide for members of the public to conduct discussions with the Committee, the consultant or City staff, unless specifically permitted by the Committee. Comments should be limited to 3 minutes or less. If this item takes more than 15 minutes, the item may be moved to the end of the agenda to allow Committee business to be conducted.

NOTES:

The Sebastopol General Plan Advisory Committee is a temporary city committee which consists of nine citizens appointed by the City Council. There are also six alternates who may replace regular members who resign in the course of the project.

The purpose of the Committee is to act as a representative community sounding board for the General Plan update process, to help identify issues and opportunities, and help shape the policy of a new preliminary draft General Plan. Following the Committee process, which is expected to take approximately one year, a formal draft General Plan, together with a draft Environmental Impact Report (EIR) will be prepared and released for public review and comment, after which the Planning Commission and City Council will conduct public hearings, revise the draft as appropriate, certify the EIR, and adopt the Plan. The City Council has final authority over the General Plan.

The Committee members are voluntary and serve without any pay as a public service to the community. The Committee procedures are intended to be consistent with the policy directives of the Sebastopol City Council.

STAFF REPORTS ON AGENDIZED ITEMS are available for review at the Planning Department during regular business hours and at the Sebastopol Library. Agenda materials are also posted on the City web site. Reports are generally issued and posted by 4 p.m. on the Thursday before the meeting. Interested persons are encouraged to review these reports.

LETTERS OR WRITTEN MATERIALS regarding agenda items may be submitted to the Planning Department prior to or at the Committee meeting; written materials submitted at least six days in advance of the meeting will be included in the Committee's meeting packet. The Committee requests that if possible, written materials be submitted to the Planning Department in time for the meeting packet which also allows them to be posted on the City web site; it is difficult for members to effectively review materials submitted during the meeting.
